Dear Students, Parents & Guardians,

Overleaf is the subject selection form for Year 10 students in 2017. Please consult the 2017 Year 10 Elective Selection Handbook for an explanation of each elective course.

- Each elective course will run for either a semester (S) or for a full year (F).
- Select either Physical Education or Elite Performance Physical Education or the Specialist Cricket Program in Semester 1 and Semester 2.
- Not every elective will operate. This will depend upon the number of students who show interest in this elective course. Therefore, it is essential that you provide a first and second choice on each grid line.

Specialist Cricket Program:

The Cricket program is reserved for Year 10 students who have been selected for the program. This is a year-long course which counts for two elective choices. Students in the Cricket program must choose Cricket then two other courses in each semester. Students in the Cricket program will be guaranteed this program on that line and do not have to complete a second choice.

Procedure

- Students select four electives for each semester. One of those must be Physical Education. Please note: Elite Physical Education and Specialist Cricket count as two electives.
- Students choose one elective course per line from the table on the attached form and write it in as your first choice.
- Students also write down a second choice.
- Student and parents/guardians must sign this form.
- Please hand into the Front Office as soon as possible as places in courses will be offered on a first come first served basis.

NOTE: Parents and guardians should take note that charges for these options are compulsory and are required to be paid in full by **Friday 3 March 2017**. There are a number of nil cost courses available in each Learning Area.
